REVIVE ACTIVE

Nutritional supplements business Revive Active was founded by Galway entrepreneur Daithí O'Connor in 2011. Beauty Complex is the fast acting collagen supplement that fights ageing from the inside out. This super supplement contains a unique blend of nutrients in powder form to help support your skin, hair and nails. Helping to support structure, function, moisture, plumpness and youthfulness of the skin, Beauty Complex contains 7,000mg of hydrolysed type 1 marine collagen which is known to have the best absorption and bioavailability of all collagens as well as plant-derived phytoceramides which are a natural alternative to help enhance the skin. Hyaluronic acid completes the triple action formula allowing skin to hold on to water to give structure and moisture to the skin.

JO BROWNE
Carlow based natural solid perfume business Jo Browne was founded by Reflexologist and Holistic Therapist Joanne Browne. The naturally nourishing Jo Browne Facial Cleansing Balm has both beauty and healing benefits, thanks to the use of organic camellia oil, nature's miracle oil that naturally reduces inflammation and promotes collagen production. Handmade in Ireland, the cleansing and nourishing balm effectively removes eye makeup, as well as foundations and daily grime. And, with a combination of eight fragrant essential oils to protect and deep clean, it smells absolutely divine. Botanical ingredients include palmarosa to hydrate, and rosemary and geranium that help with problem skin.
